## Local Attendees

### **WE ARE BACK TO PHYSICAL EVENT THIS NOVEMBER!**

The 4th Industrial Transformation Asia Pacific - a HANNOVER MESSE event (ITAP) is taking place in a hybrid format, which offers the best of a physical exhibition with an integrated digital platform! We are excited to welcome over 15,000 attendees from more than 50 countries and region to connect, convene and collaborate at the region leading trade events for Industry 4.0.

As Singapore opened its door to tradeshow, we've been adapting our plan based on new and evolving safety requirement to conduct events. The health and safety of all participants at ITAP is our highest priority. We are committed to ensuring that all measures - including protocols in line with local authority requirements and guidelines are in place to provide you with an event experience at which you can safely conduct business, make the connections you need to grow your brands and businesses.

### **GUIDANCE ON HEALTH AND SAFETY**

The Government of Singapore and health authorities have developed rigorous protocols to ensure a safe and successful in-person gathering for ITAP 2021. Please keep this guidelines and safe management measures (SMMs) outlined in this document throughout your visit to ITAP 2021 at Singapore EXPO. We will update regularly as protocols change so you know what to expect when you visit ITAP 2021. For latest update, please refer to [ITAP 2021 PHYSICAL EXHIBITIONS SAFETY MANAGEMENT MEASURES](#)

We appreciate your cooperation as every individual's commitment will minimise risks, thereby ensuring a safe experience for all.
